

your skin **REBORN** *beautiful*

Environ Retail Certification Agenda *Monday, January 23*

9:00 am: *Check In*

9:30 am: **Environ Retail Ranges**

Founded thirty years ago, Environ focused on harnessing powerful scientific research to provide the most effective skin care products available. As the pioneer in results-driven skin care, Environ became the first cosmetic product to supply vitamin A, C and other antioxidants in effective dosages in special, airless packaging designed to protect the efficacy of all ingredients.

In this retail certification course you will learn the story behind this iconic brand, the science of the carefully selected ingredients and the proprietary formulas of the retail ranges.

12:00 pm: *Lunch Break*

1:00 pm: **Environ Retail Ranges** (cont'd)

4:00 pm: *Workshop Adjourns*

Come Meet Terri Wojak!

Terri Wojak is a highly sought-after professional with over 20 years of experience in the aesthetic industry. Terri is the Education Director of GlycoAla and runs her own education company, Aesthetics Exposed Education. She is a respected authority on skin care in a medical setting, education, and business development on multiple levels. Wojak has built 50 individual courses based on skin care in a medical setting. More than 100 articles by Wojak have appeared in a multitude of industry magazines and she has published two books, "Aesthetics Exposed: Mastering Skin Care In A Medical Setting & Beyond" in May 2014 and "Mastering Medical Esthetics" debuted in 2009. Terri has trained over 5000 estheticians and medical professionals on the importance of incorporating skin care into cosmetic medicine, ultimately helping patients and medical providers alike.

BENCHMARK OF BEAUTIFUL SKIN

with Environ Professional treatments

Environ Professional & Cool Peel Certification Agenda *Tuesday, January 24*

9:00 am: Check-In

9:30 am: Environ Professional Range & Peel Treatment Protocols

- Environ's professional back bar products for peel treatments
- Environ's treatment flipchart and peel protocols

Environ Cool Peel Technology

Discover the real benefits of chemical peeling. No longer is it necessary to torture the skin or to 'peel like a snake' in order to achieve results. In fact this is far from what is best for optimal skin health and appearance. Learn how the advanced Cool Peels create effects on the skin to make optimal appearance changes without the downtime. Proper indications, expectations, protocols, pre-post care and client follow-up will be discussed.

- Indications and types of peels for the visual appearance of problematic skins, pigmentation, fine lines, rosacea, and photo-damaged skin
- Overview of traditional chemical peels
- Environ science of skin peeling

12:00 pm: Lunch Break

1:00 pm: Demonstrations and Hands-On Practical

4:00 pm: Workshop Adjourns

*This certification program, required to be attended **LIVE** by all Environ Skin Care Providers, will ensure a thorough understanding of treatment products and protocols and offer the opportunity to watch, receive and perform treatments. After attendance is verified, you may receive up to three digital exams, a Retail exam, a Cool Peel exam, and a Professional exam, via email. If you achieve a passing rate of 80% or above on each exam, you will then receive a digital certificate for the corresponding exam. If you do not pass, you will have the opportunity to review the exam(s) and your answers with your consultant or the Director of Education and re-take the exam(s).*
