CITY COMFORT

be **CALM.** *be* **RESILIENT.**
be **BEAUTIFUL.**

Dear Client,

Did you know urban pollution is the number 1 environmental assault endangering your health and skin? It's time to experience more of Environ's ingenius beautiful science. Two new scientifically advanced Anti-Pollution innovations have arrived!

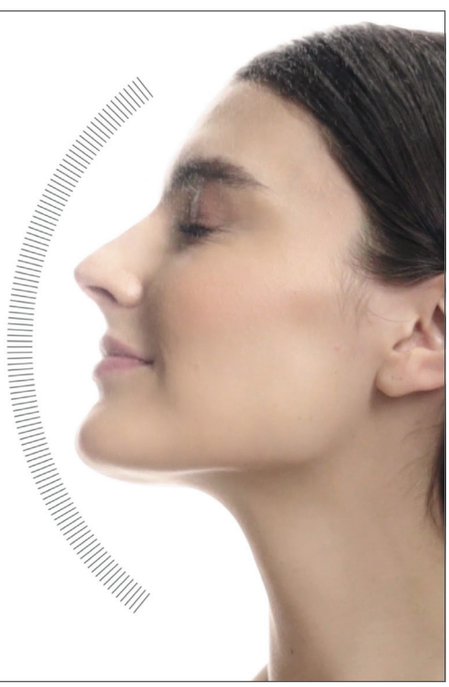
Keep your skin healthy-looking and feeling beautifully resilient with Environ's new Anti-Pollution formulations with highly intelligent ingredient combinations for the ultimate defence against the harmful effects of indoor and outdoor pollution.

Introducing New
FOCUS CARE COMFORT+ ANTI-POLLUTION SPRITZ

This light-weight, invisible, breathable shield offers the benefits of complete protection with a scientifically perfected blend of Anti-Pollution ingredients and high potency antioxidants to help counteract the harmful effects of pollution.

Benefits of the ingredients:

1. **Lightweight, invisible, breathable shield**
2. **Rebalances the effects of skin microbiome**
3. **Blue light free radical defense**
4. **Strengthens the skin's resistance**
5. **Supports a healthy-looking skin barrier**



Introducing New
FOCUS CARE COMFORT+ ANTI-POLLUTION MASQUE

Experience the purifying effects of Environ's new multi-functional charcoal masque, formulated with Japanese charcoal and special botanicals to help absorb pollutant impurities, normalize and hydrate the appearance of skin, leaving it feeling revitalized and smooth.

It's time to give your skin City Comfort. Visit us to **RECEIVE YOUR COMPLIMENTARY TRIAL OF THE NEW ANTI-POLLUTION MASQUE TODAY*** *(*Ts & Cs apply), or contact us for more information.*

Best wishes,
Your Environ Stockist
