

Environ Skin Care Named Top Medical Skin Care Company

UVM: 96,771
Date: June 7, 2019

[Environ Skin Care](#) was named “Top Medical Skin Care Company” at the 2019 Aesthetic Everything Awards.

More than 40,000 votes were cast for the awards, during a voting period held April 1-27, 2019. Environ Skin Care is distributed exclusively in the U.S. by DermaConcepts, a skin care company owned and managed by Rob Trow and Carol Trow, B.Sc., RN.

“Environ is honored to have won the award of ‘Top Medical Skin Care,’ the Trows said in a statement. “We, along with the founders, Dr. Des Fernandes, Val Carstens, our R&D department, and our extraordinary U.S. team, are proud of the recognition as the most efficacious products for the appearance of more youthful-, healthy-looking and beautiful skin.”
