

Vitamin **A**-Mazing

For Skin That Is **REBORN BEAUTIFUL**

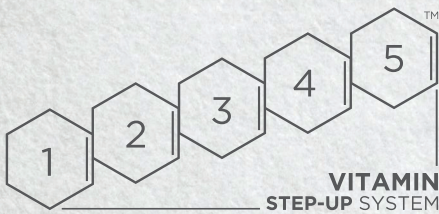

VITAMIN A IS THE ULTIMATE HEALTHY SKIN INGREDIENT

The daily replenishment of vitamin A, and other essential nutrients, is vital for skin to look healthy and radiant for life

START LOW AND GO SLOW WHEN USING VITAMIN A SKIN CARE PRODUCTS

Replenishing vitamin A and other essential nutrients is best done slowly. Environ's VITAMIN STEP-UP SYSTEM™ helps skin become accustomed to increasing levels of vitamin A

*Ask your skin care professional for more information on Environ's vitamin **A**-mazing products*

ENVIRON®

a beautiful skin for a lifetime
