JUNE IS ACNE AWARENESS MONTH

Conquer the look of problematic skin with this set that helps skin stay clear and healthy-looking!

AM/PM Routine:

- 1. CLEANSE:** Use a dime-sized amount of **Botanical Infused Sebu-Wash Gel Cleanser**. Rinse and pat dry. Gently pat on **Botanical Infused Sebu-Tone Clarifier** and allow it to dry.
- 2. EYE CARE:** Apply your recommended Environ eye gel.
- 3. TREATMENT:** Apply **Vita-Antioxidant AVST Gel**.
- 4. AM SUN PROTECTION:** Follow with your recommended SPF.

Hydroxy Acid Sebu-Clear Masque:

Use every second or third night:

- 1. PREPARE:** Cleanse and tone with **Sebu-Wash Gel Cleanser** and **Sebu-Tone Clarifier**.
- 2. APPLY:** Apply an even layer of the **Sebu-Clear Masque** using the provided brush to the affected areas. Leave on for 10 minutes. You may experience mild tingling.
- 3. RINSE:** Rinse thoroughly with tepid water.
- 4. MOISTURIZE:** Apply **Vita-Antioxidant AVST Gel** and gently massage into the skin.

WARNING: This masque contains Salicylic Acid (a keratolytic agent). Avoid use if allergic to the ingredients or Aspirin®.

SUNBURN ALERT: The masque contains Alpha Hydroxy Acid (AHA) and Beta Hydroxy Acid (BHA), which may increase sun sensitivity. Use sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterward.

PLEASE NOTE: If you are pregnant, nursing or using Accutane, please check with your physician before using any Environ® products.
