# VITAMIN A, C & E BODY OIL

---

## Product Description

Vitamin A, C & E Body Oil is a lightweight, replenishing oil containing essential vitamins A, C and E to assist in relieving the appearance of dry and sun damaged skin.

## Product Benefits

- Contains antioxidants that assist in shielding the skin from harmful environmental influences.
- Helps to nourish and condition the skin, leaving the skin looking soft and supple.
- Assists in improving the appearance of fine lines, uneven skin tone and sun damaged skin resulting in an overall radiance.

## How To Use

Apply in a thin layer twice a day after a shower or bath; massage into the skin and follow with your preferred Environ sunscreen when exposed to the sun.

Suitable for all skin types.
