RENEWED SKIN

Renew your skin with
the feel of added
hydration.

ENVIRON[®]

a beautiful skin for a lifetime

Tri BioBotanical Revival Masque

Product Description

The Revival Masque may assist in enhancing the skin's overall look and feel, as well as resilience. This dynamic mask leaves the skin feeling smoother and appearing younger with a healthy-looking radiance.

Product Benefits

- ground-breaking product that enhances the appearance of the skin
- increases the look of hydration
- helps to lighten the appearance of pigmented marks
- increases the look of smoother, more youthful, radiant, rejuvenated skin
- 20-minute or overnight masque

HA Intensive Hydrating Serum

Product Description

HA Intensive Hydrating Serum contains a high concentration of Hyaluronic Acid (a known moisture-magnet) and may help to leave the skin visibly smoother and plumper with more resilience.

Product Benefits

- highly concentrated moisturizing serum
- visibly improves the look of firmness, plumpness & hydration
- reduces the look of wrinkles
- more easily absorbed due to low molecular weight

Vita-Antioxidant Hydrating Oil Capsules

Product Description

Vita-Antioxidant Hydrating Oil Capsules deliver a concentrated burst of vitamin-enriched hydration that may help to protect the skin against the damaging effects of free radicals, leaving it looking visibly refreshed and energized.

Product Benefits

- energizes & hydrates the feel of the skin
- for nighttime use only
- improves the visible signs of aging
- helps protect against the effects of free radical damage
