# OIL FREE EYE MAKE-UP REMOVER

---

## Product Description

Oil Free Eye Make-up Remover is specially formulated for use on the delicate eye area to expertly and gently remove non-waterproof make-up and leave the skin feeling moisturized and refreshed.

## Product Benefits

- It contains Cyclopia Genistoides (Honeybush) Leaf Extract which is known for its powerful antioxidant and soothing properties.
- Panthenol (Pro-vitamin B5) helps to leave the skin feeling soft and moisturized.
- Gently removes make-up without drying or irritating the skin around the eye area.
- May be used by contact lens wearers with caution.

## How To Use

Moisten cotton wool with the Oil Free Eye Make-up Remover.

Place on the eye area for a few seconds to soften eye make-up.

Wipe the cotton wool gently over the eyes to remove the eye make-up.

May alternatively be used as a soothing eye compress when applied to cotton wool and placed on the eye area for a few minutes.
